#### About Us

North St. Louis County Habitat for Humanity is part of Habitat for Humanity International. Habitat for Humanity is an international, nonprofit, ecumenical Christian housing ministry, founded in 1976. The North St. Louis County Habitat for Humanity affiliate started in 1995 after members of the community saw the need for housing in the area. To date, NSLCHFh has helped provide a 'hand up' out of substandard housing to over 100 families.

#### Service Area

We serve the northern half of St. Louis County in Minnesota. From the communities of Ely to Cotton, going North and South, and from the communities of Hoyt Lakes and Hibbing, going East and West. Since 1995, Habitat has served 15 communities including Aurora, Babbitt, Biwabik, Buhl, Chisholm, Cook, Embarrass, Ely, Eveleth, Gilbert, Hibbing, Mt. Iron, Tower, Soudan, and Virginia.

**VISION:** A  
world where  
everyone has a  
decent  
place to live.

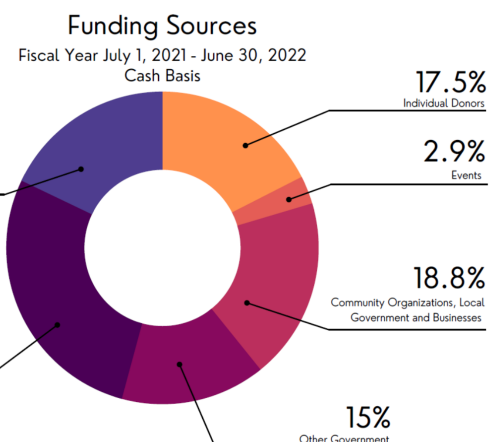

#### Giving Opportunities

We provide many opportunities for both individuals and corporations to support our vision of a world where everyone has a decent place to live. Along with one-time donation options, there are also recurring monthly donation options as well as planned giving opportunities to help sustain the organization and its mission. Donations can be made online at <http://www.nslchfh.org/how-to-donate> or by calling our office.

#### Volunteer Opportunities

Become a Habitat for Humanity volunteer! There are many ways to get involved: join a build crew, prepare a lunch for volunteers, fold newsletters, help at an event and more. We depend on nearly 3,000 volunteers each year. Contact us at **218.749.8910** or [nslchfh.org/volunteer](http://nslchfh.org/volunteer) to get started today!
